One piece body,  
cost effective

**Douline**  
Maintain flow,  
valve control

**Topline**  
Over the top  
fluid entry

**Ecoline**  
Cost sensitive  
applications

**Maxiline** Multi bag  
housing, high volume  
cost effective

**Sideline** ASME  
code, several  
arrangements

**Polyline**  
All plastic, spin  
off lid

**Proline**  
Multi Bag, QIC-Lock  
opening

## FILTER BAGS

**From standard use to absolute filtration and oil removal.**

### Standard EATON Filter Bags

**Unibag:** Economy  
Bag, Welded with  
plastic rings

**Sentinel:** All  
welded, Sentinel  
Ring

**Snap Ring:**  
Fits all model of bag  
housing

**Duragaf:**  
2-5 x dirt holding  
capacity

**Lofclear:**  
Absolute filtration,  
Cost Effective

**Accugaf:**  
99%+ Efficiency  
filtration

**Hayflow:**  
Combination bag  
& cartridge

**Oil Removal Insert**  
bag for Oil Removal
